BRITISH CHEESE

Served ripe & ready with Chutney, Apple & Peter's Yard Crackers.

Per Smidgen of Cheese 3.75

Baron Bigod, Suffolk (*v*)
A silky, oozing Brie-style cheese with citrus notes beneath a mushroomy rind. Handmade in small batches, it's a rare British example of true cow-to-cheese production — crafted entirely on the same farm.

Tor Goat's, Somerset (*v*)
Provides the classic goat's cheese tang with lemony brightness and a subtle peppery hint from its ash-dusted rind.

Cornish Blue, Cornwall (*v*)
An award-winning British blue cheese, buttery with gentle blue notes.

Yarlington, Gloucestershire (*v*)
This soft and savoury washed-rind cheese is gently aged with Yarlington Mill cider. Its reddish rind brings deep, bold notes, giving way to a velvety, rich centre.

Isle of Mull Cheddar, Scotland
Matured for up to 16 months, this classic Scottish Farmhouse Cheddar is rich and full-flavoured, made at Sgriob-Ruadh Farm where 100% sustainable energy powers the entire cheese-making process.
